86% or More				
71% to 85%				
56% to 70%				
41% to 55%				
Less than 40%				

Comments:

I had one patient that we treated with the SpineMED 20-30 treatments with little improvement. He later went to somebody with a DRX 9000 and experienced significant relief after 1 or 2 treatments. That, of course, was not very encouraging.

Dear Dr. Bowles:

As part of our ongoing effort to continually improve the SpineMED® System, we are collecting clinical performance data from all users of the device.

Please complete this survey and fax it toll free to 866-990-4445, or email a copy to info@spinemed.com.

Thank you for your support.

Best regards,
Tim Emsky
